**AUGUST 26 at 7:00pm via Zoom – GUY MAGALLANES (Can This Painting be Saved?):**

Guy will be showing a YouTube video in which he uses some of his watercolor students' floral paintings and makes corrections with their permission. A native of San Francisco, Guy is self-taught and has painted since childhood. His Grandmother knew he would be an artist because he was more involved in painting the walls and curtains with his food rather than eating it! Guy made the decision to finally call himself an artist in 2000 and made the transition into a full-time artist in 2007. His work is published in

Splash Books 9, 10 and 15 plus is one of 15 Splash artists selected to contribute to "Watercolor Secrets," all by North Light Books. Guy started teaching in 2005 and continues to teach workshops and weekly classes. Visit his website at <https://www.guymagallanes.com>.

To enter the Popular Vote you must submit your entry to Ann Gahagen at [amgahagen@gmail.com](mailto:amgahagen@gmail.com) no later than Wednesday, August 24th.
